ACLET CLOSE NURSERY SCHOOL

FEEDBACK FROM SPOOKY STAY AND PLAY: DATE 20.10.2026 AND 22.10.2026

1) Why did you attend this stay and play session?

Its lovely to spend that time together with the children.

To enjoy time with my grandson and see part of his daily routines and the facilities that are available at the nursery.

Wanted to see my granddaughter in her nursery environment.

To enjoy time with our son, to see what he does in his day at nursery.

To see M playing in the nursery setting.

I wanted to see what Z got up to while she was there.

I have attended every stay and plat since my child started here. I love having the opportunity to get an insight into what happens at nursery and join in with the activities.

To spend some quality time with my child at nursery and see how they enjoy participating, interacting with their friends and teachers.

It's great to be invited in to nursery to see how the children love to play and show parents what they do.

2) What Went Well? Is there anything you particularly liked or appreciated during your visit?
