“Fantastic nursery!! Could not have asked for better for my son! We are both so sad that he’s leaving he’s been there that long! Luckily my daughter will be starting soon so have a couple more years with this fab place. The staff here are absolutely amazing, they cannot do enough to help. The whole nursery is such a happy and friendly place. 100% recommend Aclet nursery!!”

“What a fantastic nursery and staff. You won’t get a better nursery anywhere else. My son had loved his time at nursery. He loves the staff. Thank you so much for everything you have done for him. It will be sad to see him leave. He will miss you all. But I’ll be back in a couple of years with my other son. I wouldn’t send him anywhere else, he’s definitely coming back to you. Once again, massive thank you.”

“My daughter absolutely loves it. Can’t recommend Aclet nursery enough. All the teachers are fab and my daughter has come on so well starting here.”

“My Grandson has been lucky enough to spend many terms with the Aclet Nursery. Throughout that time he has had so many wonderful opportunities to learn, experience and grow. The affection and care that the staff show to the children is heart-warming. I would recommend this Nursery to anyone, can’t praise the school and its staff enough. It has been a wonderful, happy time for my grandchildren. A big THANK YOU from me, a very appreciative Grandma!”

“It’s the best nursery ever!! My ‘huffy’ son has truly loved every second he’s spent with you all! As did my other son. We can’t thank you enough for everything you have done for him.”

“I can’t speak highly enough about Aclet Close Nursery School. If you are faced with having to make the decision of which nursery school to send your child to, don’t think twice about this nursery, I promise you won’t regret it.

As well as friendly approachable staff who consistently offer support and guidance to both you and your child(ren), there are regular themed stay and play sessions for parents/carers to attend, detailed learning journals, organised educational trips, library visits, cooking activities, Christmas productions/parties etc. As well as a variety of regular visitors to the school offering wonderful opportunities to the children such as Zoolab, Farmyard Flyer, The Auckland Project, Spanish lessons with Lingotots etc etc. And in addition to all of the above, weekly swimming lessons!

Both of our sons are extremely happy at the nursery, which gives us huge piece of mind and we have seen them come on leaps and bounds during their time there.

On a recent feedback form we were asked to describe the nursery in three words and these really do sum it up 'Simply The Best.'

"Absolutely love this nursery and although my daughter has had a few wobbles, we are seeing the difference in her each time she comes!! Tonight she acted out her being a

teacher and getting us to sit on the floor, then getting us to paint- even pretending to place paper on the drying area! Amazing how she is learning each time she comes and I couldn't thank you enough for the mornings you scoop her up in your arms when she is having a wobble!! Amazing nursery and beautiful teachers."
