

ACLET CLOSE NURSERY SCHOOL

FEEDBACK FROM EASTER STAY AND PLAY: 01.04.25 and 03.04.2025

1) Why did you attend this stay and play session?

To get to know RJ friends and teachers. To also see how he does at Nursery as he talks about his teachers and friends at home.

To see what V gets up to everyday.

To play with my child.

Because J comes here and wanted to watch him play and show me what he does while he is in Nursery.

To see how M and J play.

It's lovely to have the chance to come in and see how happy the kiddies are and to join in with my daughters learning and day.

To see how T has settled and what the kids get up to.

To see H in her Nursery environment to see how she is with her friends.

To spend time with M in his Nursery environment.

To see what I enjoys at Nursery.

I wanted to learn more about daily activities and to see how my son spends a day.

To see M in her Nursery environment with teachers and friends.

To see what my child gets up to at Nursery.

To spend time with H and let her show me things she likes to do at Nursery.

I don't often get to attend these events as I can't get time off, so when I can I find it so important to be a part of A's education, to see how she is thriving and enjoying Nursery.

To see how L is getting on in Nursery setting.

To see what A got up to at Nursery.

To see how my daughter plays and enjoys Nursery.

To see how much progress J has achieved.

I have attended this stay and play session to show respect to all the teachers and staff for their amazing job and efforts to educate our children.

One to one time. See how she plays at Nursery.

To experience what my child enjoys doing at Nursery.

To see the environment A is enjoying playing in every day.

To see what E does at Nursery.

2) What Went Well? Is there anything you particularly liked or appreciated during your visit?

I appreciated the Teacher talking to me and telling me how he gets on while he's here. I appreciated you inviting me as I can see how much he loves it here. I love the garden.

Lovely outside area and plenty for the kids to do.

We had fun doing the egg race. He enjoyed knocking the cups down with the egg.

Everything was perfect.

How kind and helpful the staff are. How my 2 (ch) are settling in, seeing how happy they are, watching them get involved in activities.

The new sensory garden is going to be a huge hit, nice to have lots of little themed activities always thought about with the time of year we come in.

The freedom the kids have to explore.

Being able to have this time with H in a place that she loves to come to.

The activities were very enjoyable. M particularly liked making the chick.

Good structure.

I loved all activities prepared for kids and parents.

Plenty for the kids to do and see, plenty of teachers helping with new things to do.

It was great - everything went well - there was lots of Easter based activities to do with my daughter.

Fun activities that we could do together.

Everything, it was lovely. A was so settled at her favourite activity! Staff were lovely, friendly and always around for a chat. It was lovely to hear how much A has come on.

Everything. It was lovely that Miss F made the effort to introduce herself and let me know what L enjoys/plays with. Lots of lovely toys for the children. Also appreciate how staff helped when L started to struggle.

Range of activities indoors and outdoors. How well staff know A.

Enjoyed being able to use all gardens and equipment.

The amount of activities available.

V showed me where she likes to play in the garden, she made a few sand castles, she was just running around really, really happy!

There were lots to choose and staff were brilliant.

Loved the open access to all areas of Nursery and enjoyed talking to my child's teachers.

Teachers are so talkative and friendly and so many activities to do. A really enjoyed showing me all of her friends and class.

Lovely for children to have access to all areas.
