

ACLET CLOSE NURSERY SCHOOL

FEEDBACK FROM EASTER STAY AND PLAY: 21.03.2026 AND 26.03.2026

1) Why did you attend this stay and play session?

To spend some time with M in nursery and see how he is getting on.

Being able to spend time with my child and joining in the fun activities he gets up to everyday.

To spend time with L at nursery and to be able to explore it with her.

To see R, play with her and see what she gets up to at Nursery.

I loved watching my son B enjoying playing at nursery with his friends.

To spend time with my daughter in the nursery.

To spend time with J, to see what he gets up to at nursery.

To see M in her day to day nursery activities.

2) What Went Well? Is there anything you particularly liked or appreciated during your visit?

M enjoyed the activities, especially the egg hunt. He was so comfortable at nursery with all his teachers who were all so welcoming as usual.

There were lots of activities out and all were fantastic. We loved the outdoor area and the egg hunt. Amazing outdoor space I can see why my son loves it so much. It was lovely to speak to staff especially staff who I have not met.

Just the freedom to explore with L no set activity.

The different activities available, very enjoyable.

All staff and parents were so nice.

Lots of different areas to explore. Especially well set out.

Everything was perfect.

Plenty of staff, lots for children to do.

4) Even Better If... How could we improve/change our stay and play session?

Always a pleasure to visit Aclet Close but I would love more updates with M's progress and how he is getting on at nursery.

I thought the session was absolutely great and there was so much to do. I don't think 'you' should change anything it was a lovely afternoon.
